Sir:

In an Office Action dated December 15, 2004, the Examiner stated that the Information Disclosure Statement ("IDS") filed by Applicants on September 23, 2002 failed to comply with the provisions of 37 CFR §§ 1.97 and 1.98 and MPEP § 609 because, some of the documents were not included in the CD as cited. Accordingly, Applicants hereby re-submit a hard copy of the document originally submitted on CD.

Applicants respectfully point out that the submission of the listed references in this Supplemental Information Disclosure Statement is not an admission that they are prior art or that they are material to patentability of any claims of the application. Also, the submission of this Supplemental Information Disclosure Statement is not an indication that a search has been made by Applicants.

For the convenience of the Examiner in considering the cited references, a copy of the cited reference is enclosed with this communication. In considering the cited references, it may be noted by the Examiner that certain of the references may contain markings, underlinings,

and/or other notations. These markings, underlinings, and/or other notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of the cited references. Any such markings were either present on the copies of the cited references obtained by the associated individuals, or were made thereon during the study of the references by the associated individuals.
